About **MANI'S**

"Biryani is the only thing we do"

Our unique small batch fresh dum cooking process, coupled with your choice of aged long grain **BASMATI** rice or flavourful **SEERAGA SAMBA** rice, an array of aromatic Indian spices, tender marinated meats or fresh veggies, results in a Biryani that is fresh and flavourful every time you order from us. While we have grown to over 28 outlets now across 2 cities (Bangalore & Chennai), our core fresh dum cooking process has remained the same and we prepare our Biryanis in each of our outlets multiple times throughout the day.

We invite you to visit us, try our Biryani varieties and enjoy the **"FRESH DUM EVERY TIME"** experience. We are confident that you will like our fresh and great tasting Biryanis, served in multiple portion sizes at value for money prices.

All our outlets are currently company owned and operated and we do not offer franchisees at this time.
